

# 100 Bottles Of Milk

100 bottles of milk on the wall,  
100 bottles of milk;  
If one of those bottles should happen to fall....  
99 bottles of milk on the wall!

99 bottles of milk on the wall,  
99 bottles of milk;  
If one of those bottles should happen to fall....  
98 bottles of milk on the wall!

98 bottles of milk on the wall,  
98 bottles of milk;  
If one of those bottles should happen to fall....  
97 bottles of milk on the wall!

97 bottles of milk on the wall,  
97 bottles of milk;  
If one of those bottles should happen to fall....  
96 bottles of milk on the wall!

96 bottles of milk on the wall,  
96 bottles of milk;  
If one of those bottles should happen to fall....  
95 bottles of milk on the wall!

95 bottles of milk on the wall,  
95 bottles of milk;  
If one of those bottles should happen to fall....  
94 bottles of milk on the wall!

94 bottles of milk on the wall,  
94 bottles of milk;  
If one of those bottles should happen to fall....  
93 bottles of milk on the wall!

93 bottles of milk on the wall,  
93 bottles of milk;  
If one of those bottles should happen to fall....  
92 bottles of milk on the wall!

92 bottles of milk on the wall,  
92 bottles of milk;  
If one of those bottles should happen to fall....  
91 bottles of milk on the wall!

91 bottles of milk on the wall,  
91 bottles of milk;  
If one of those bottles should happen to fall....  
90 bottles of milk on the wall!

and so forth.....
