

5 Little Hot Dogs

5 little hot dogs frying in a pan,
the grease got hot and one went bam
4 little hot dogs frying in a pan,
the grease got hot and one went bam,
3 little hot dogs frying in a pan,
the grease got hot and one went bam,
2 little hot dogs frying in a pan,
the grease got hot and one went bam,
1 little hot dog frying in a pan,
the grease got hot and one went bam,
No little hot dogs frying in a pan,
the grease got hot and the pan went bam.
