

5 Little Turkeys

Five little turkeys standing in a row. (Hold up 5 fingers)
First little turkey said, I don't want to grow. (Hold up 1 finger)
Second little turkey said, Why do you say that? (Hold up 2 fingers)
Third little turkey said, I want to get fat. (Hold up 3 fingers)
Fourth little turkey said, Thanksgiving is near. (Hold up 4 fingers)
Fifth little turkey said, Yes, that's what I hear. (Hold up 5 fingers)
Then the five little turkeys that were standing in a row,
All said together, Come on, let's go! (Move fingers like they're running away)
