

## New Year - A Merry New Year

Again we assemble, a merry New Year  
To wish to each one of the family here,  
Whether man, woman, or girl, or boy,  
That long life and happiness all may enjoy;  
May they of potatoes and herrings have plenty,  
With butter and cheese, and each other dainty;  
And may their sleep never, by night or day,  
Disturbed be by even the tooth of a flea:  
Until at the Quaaltagh again we appear,  
To wish you, as now, all a happy New Year.
