Theme Song For Season 1 and 2

Early to rise, early to bed.  
In and between I cooked and cleaned and went out of my head.  
Going through life with blinders on, it's tough to see.  
I had to get up, get out from under and look for me.  
There's a new girl in town and she's looking good.  
There's a fresh freckled face, in the neighborhood.  
There's a new girl in town, with a brand new style.  
She was just passing through,  
but if things work out she's gonna stay awhile....ba ba bum bum bummmm
