

# All The Verses Are Read Dears

All the verses are read, dears,  
All the pages are past,  
Of all the pretty pictures,  
These are the very last.  
So look at them again dears,  
Learn the verses  
For you we'll like dears  
Another book.  
For we paint all our pictures  
And we give all our jokes,  
Just on purpose to make dears,  
Much "Fun for little Folks.
