

# Bell Horses

Bell horses, bell horses,  
What time of day?  
One o'clock, two o'clock,  
Three and away.

Bell horses, bell horses,  
What time of day?  
Two o'clock, three o'clock,  
Four and away.

Bell horses, bell horses,  
What time of day?  
Five o'clock, six o'clock,  
Now time to stay.
