

# Boy And A Girl In A Little Canoe

There was a boy and a girl in a little canoe  
And the moon was shining all around  
They talked and they talked till the moon went in  
And he said you better kiss me or get out and swim  
So you know what to do in a little canoe  
When the moon is shining all a,  
The moon is shining all a,  
The moon is shining all around  
Get out and swim!  
What the heck stay and neck for an hour or two  
When the moon is shining all a,  
The moon is shining all a,  
The moon is shining all around
