

# Counting Piggy Tails

On the farm, I can see  
Momma piggy and her new babies  
All snuggled up, ready to sleep  
How many babies can you see?

Let's count the piggy tails:  
One, two...  
...Ten baby tails  
And momma's tail makes eleven

On the farm, I can see  
Momma piggy and her new babies  
All snuggled up, ready to sleep  
How many babies can you see?

Let's count the piggy noses  
One, two...  
...Ten baby noses  
And momma's nose makes eleven

Ten little baby pigs  
All snuggled up, ready to sleep  
Ten little baby pigs  
Oh, so sweet  
Oh, so sweet
