

# Dinner Table Rhymes

Please, lord, send summat good to eat:  
Not rusty bacon or fatty meat  
Or t'wife's sad buns from floppy barm-  
Keep me from all digestive harm.

Little Popsie-Wopsie  
Chickabidee chum,  
She shall have a piesie-wysie  
And a sugar plum.

She shall ridie pie-die  
In a coachie-woachie too,  
All round the parkie-warkie  
With her cock-a-doodle-doo.

Here's good bread and cheese and porter,  
Here's good bread and cheese and porter,  
You all may sing a better song  
But you cannot sing a shorter!
