

Doughnut Song

Well I walked around the corner and I walked around the block
And I walked right in to a donut shop

Well I scooped up a donut right out of the grease
And handed the lady a five cent piece

Well she looked at the donut and she looked at me
And she said this nickle is no good you see

There's a hole in the middle I can see right through
And I said there's a hole in your donut too!

Thanks for the donut, so long!
