

Five Little Firefighters

Five little fire fighters sit very still

Until they see a five on top of the hill
Number one rings the bell, ding-dong.

Number 2 pulls his big boots on.

Number 3 climbs on the truck right away.

Number 4 joins him, no one can wait.

Number 5 drives the truck to the fire.

The big yellow flames go higher and higher.

Whooo-ooo! Whooo-ooo! Hear the fire truck say

As all of the cars get out of the way.
Shhh! goes the water from the fire hose spout,

And quicker than a wink the fire is out!
