

# Found A Peanut Parody

Louie Louie, oooh baby  
Let that peanut go  
Ugh! Yeah Yeah Yeah  
(repeat 2x)

Found a peanut, just today  
Saw it on the sidewalk, oh and hey  
Cracked it open, it was rotten to the core  
Ate it anyway 'cause I was bored!

(chorus)

So I died right there, like a headless hen  
I was taken to the grave, but just right then  
They didn't want me to be dead  
So they dug me up again instead!

(chorus)

But the peanut was still inside  
Took my stomach on a wild ride  
So I stuck my hand in my throat  
And out came the peanut, oh how it did float!
