

# Full House

Whatever happened to predictability.  
The milkman, the paperboy, evening tv?  
How did I get delivered here?  
Somebody tell me please!

This old world's confusing me.  
Clouds as mean as you've ever seen  
Ain't a bird who knows your tune.  
Then a little voice inside you Whispers,  
"Don't sell your dreams" , so soon

Chorus:

Everywhere you look,  
Everywhere you look(there's a heart)  
A hand to hold on to.  
Everywhere you look  
everywhere you look(there's a face of)  
Somebody who needs you.

Everywhere you look.  
When you're lost out there and you're all alone.  
A knight is waiting to carry you home.

Everywhere you look.
