

Glad I'm At School

Chorus:

Well all right: all right!

Ok: OK!!

I'm glad I'm at school today.

Well all right: all right!

Ok: OK!!

I'm glad I'm at school today.

Well all right: all right!

Ok: OK!!

I'm glad I'm at school today.

Teacher, teacher, teacher I am ready to move--
Teacher give me skills to keep me in the groove.

Chorus

Teacher, teacher, teacher I am ready to learn--
Teacher call on me, it must be my turn.

Chorus

Teacher, teacher, teacher I am ready to grow--
Teacher can you see how much that I know?

Chorus

Teacher, teacher, teacher I am ready to work--
Teacher honestly, it isn't a quirk.
