

# I Am Little Vincent

I am Little Vincent  
And I come to sing  
And to the child who is crying,  
To quiet him.  
And to the child who is crying,  
To quiet him.

My sun, sun, sun, sun.  
My sun, sun, sun, sun.  
Don't cry, my love.  
Don't cry anymore, don't.  
Don't cry, my love.  
Don't cry anymore, don't.
