

# I Had A Little Sail Boat

I had a little sail boat,  
Its decks were new all painted blue  
I had a little sail boat  
And sailed it on the sea.  
When ugly frogs are watching  
And ugly frogs are on a log,  
And ugly frogs are watching,  
they jumped into my boat.  
My boat was topsy turby,  
My brand new boat all painted blue,  
My boat was topsy turby and sank into the sea.  
I dove into the water,  
To find my boat my brand new boat,  
I dove into the water and brought it home with me.
