

I Have Lost my Underwear

I have lost my underwear,
I don't care, i'll go bare,
Bye, bye longjohns.
They were very dear to me,
Tickled me, hee, hee, hee.
Nye, bye, longjohns.
If you see that little trap door behind me,
You will always know where you can find me.
Make my bed and light the light,
I'll be home late tonight,
Long johns, bye bye.
