

If We Hold On Together

Don't lose your way with each passing day
You've come so far, don't throw it away (learn how to Reduce, Reuse, and Recycle!)
Live believing, dreams are for weaving
Wonders are waiting to start
Live your story, Faith hope and glory
Hold to the truth in your heart

If we hold on together
I know our dreams will never die
Dreams see us through to forever
Where clouds roll by, for you and I

Souls in the wind must learn how to bend
Seek out a star, hold on till the end
Valley, mountain, there is a fountain
Washes our tears all away
Worlds are swaying, someone is praying
Please let them come home to stay

If we hold on together
I know our dreams will never die
Dreams see us through to forever
Where clouds roll by, for you and I

When we are out there in the dark
We'll dream about the sun
In the dark, we'll feel the light
Warm our hearts Everyone

If we hold on together
I know our dreams will never die
Dreams see us through to forever
As high as souls can fly
The clouds roll by, for you and I
