

# I'm So Carsick

I'm in my dad's Toyota  
And we're now in hour three  
I'm gonna visit Grandma  
Though I wish she'd drive to me.

We had some lunch  
A while ago  
A tiny pizza pie  
I need a soda or some juice  
'Cause boy, my throat is dry!

I'm so carsick  
Between you and me  
We've been driving for so long that  
I've been growing a goatee!

Some take the train  
Some take the train  
And others get to fly  
We're in this car, in the slow lane  
I think I'm gonna cry!

I'm so carsick  
Gotta go wee-wee  
Hey Dad, stop this Toyota  
And next time, go without me!
