

# In The Misty Moonlight

In the misty moonlight  
By the flickering firelight  
Any place is all right  
Long as I'm with you (as long as I'm with you-oooh)  
In a far-away land  
On the tropic sea sand  
If your hand's in my hand  
I won't be blue  
Way up on the mountain  
Or way down in the va-a-alley  
I know I'll be happy  
Anyplace, anywhere, I don't care

## CHORUS

In the misty moonlight  
By the flickering firelight  
Any place is all right  
Long as you are there

SPOKEN: I could be happy in one little room with only a table and chair. As happy as I'd be in a kingdom by the sea, darling, if you were there.

And I could be rich or I could be poor.. but if you were by my side, I could be any place in this whole wide world? and I know I'd be satisfied.

Way up on the mountain  
Or way down in the va-a-alley  
I know I'll be happy  
Anyplace, anywhere, I don't care  
CHORUS X 3 with FADE on final
