

# Just One Person

If just one person believes in you,  
Deep enough, and strong enough, believes in you...  
Hard enough, and long enough,  
It stands to reason, that someone else will think  
"If he can do it, I can do it."

Making it: two whole people, who believe in you  
Deep enough, and strong enough,  
Believe in you.  
Hard enough and long enough  
There's bound to be some other person who  
Believes in making it a threesome,  
Making it three.....  
People you can say: believe in me.....

And if three whole people,  
Why not four?  
And if four whole people,  
Why not--more, and  
more, and  
more....

And when all those people,  
Believe in you,  
Deep enough, and strong enough,  
Believe in you...  
Hard enough, and long enough

It stands to reason that you yourself will  
Start to see what everybody sees in  
You...

And maybe even you,  
Can believe in you... too!
