

Little Housie

I live in a teeny wheeny housie
I live beyond the 31st floor
I take the ends of many many washings
ruffles on the petty coats, 10 cents more

I like a chow chow better than a bow wow
I lika little man he lika me!

Way down in Hong Kong
sexy lady come along
take away my little man
poor poor me!

I go to hong kong,
give the lady bong bong

take back my little man
HAPPY HAPPY ME!
