

Magic Garden Song

A magical garden of make believe
Where flowers chuckle and birds play tricks
And a magic tree grows lollipop sticks

Here in the garden what we say and do
We'd like you to join us and do it to

Can you crow like a rooster?
Cock-a-doodle-doo!
And clap your hands and stamp your shoe

It's a funny place but it's surely true,
That we'd like to share it all with you

If you sing for me (la la-la-la-la-la)
I'll sing for you (lu lu-lu-lu-lu-lu)
If you cry for me (ooo hoo-hoo-hoo)
I'll cry for you (boo hoo-hoo-hoo)
If you scream for me (aaaahhhh!)
I'll scream for you (waaaahhhh!)
If you laugh for me (hee hee-hee-hee-hee-hee)
I'll laugh for you (ha ha-ha-ha-ha-ha)

So come on in without a fuss,
'Cause the magical garden is waiting for us

Birds chirping...
