

# McDonald's

McDonald's is my kind of place  
They serve you rattlesnakes  
Hamburgers up your nose  
French fries between your toes  
McDonald's is my kind of place  
Last time I went there  
They fried my underwear

McDonald's is your kind of place.  
They serve you rattlesnakes,  
throw milkshakes in your face,  
they steal your parking place.  
McDonald's is your kind of place.  
They put french-fries up your nose,  
and pickles 'tween your toes.  
McDonald's is your kind of place!

McDonald's is our kind of place  
Hamburgers in your face  
French fries up your nose  
Pickles between your toes  
McDonald's is our kind of place  
We want our money back  
Before we have a heartattack
