

Momma rock a baby

Momma rocka baby, papa rocka baby too,
So they can get a little sleep maybe
Whether it will be a minute or an hour or two,
Depends entirely on the baby,
After all (s)he's just a little bitty baby.

Momma come a runnin with water and a rag
And a little bitty diapered baby
No use in hesitatin' nor a wonderin' nor a waitin',
Cuz we know what's the matter with the baby,
After all (s)he's just a little bitty baby
