

# My Body Lies Over The Ocean

My body lies over the ocean,  
My head's hanging over the rail.  
I really hate to pollute the ocean,  
Will someone please bring me a pail?

## CHORUS:

Come up, come up,  
Come up my sweet supper,  
Come up! Come up!  
Come up, come up,  
Come up my sweet supper,  
Come up!

(in cheerleader style)

Oop! Slop! Bring a mop!  
By Jason, bring a basin!  
V-O-M-I-T  
V-O-M-I-T  
Vo-MIT!
