

Night Walks With A Heavy Step

Night walks with a heavy step
Round yard and hearth,
As the sun departs from earth,
Shadows are brooding.
There in our dark house,
Walking with lit candles,
Santa Lucia, Santa Lucia!

Night walks grand, yet silent,
Now hear its gentle wings,
In every room so hushed,
Whispering like wings.
Look, at our threshold stands,
White-clad with light in her hair,
Santa Lucia, Santa Lucia!

Darkness shall take flight soon,
From earth's valleys.
So she speaks a
Wonderful Word to us:
A new day will rise again
From the rosy sky
Santa Lucia, Santa Lucia!
