

One And One

Two little girls are better than one;
Two little boys can double the fun;
Two little birds can build a fine nest;
Two little arms can love mother best;
Two little ponies must go to a span;
Two little pockets has my little man;
Two little eyes to open and close,
Two little ears and one little nose,
Two little elbows, dimpled and sweet,
Two little shoes on two little feet,
Two little lips and one little chin,
Two little cheeks with a rose shut in,
Two little shoulders, chubby and strong,
Two little legs running all day long.
Two little prayers does my darling say,
Twice does he kneel by my side each day,
Two little folded hands, soft and brown,
Two little eyelids cast meekly down,
And two little angels guard him in bed,
One at the foot and one at the head.
