

One Green Jelly Bean

One green jelly bean, down in my belly bean
Giving me tummy ache, what am i going to take?
All my friends are telling me they got a remidee: jump up and down.

Two green jelly beans, down in my belly bean,
Giving me tummy ache, what am i going to take?
All my friends are telling me they got a remidee: jump up and down, rub your tummy.

Three green jelly beans, down in my belly bean,
Giving me tummy ache, what am i going to take?
All my friends are telling me they got a remidee: jump up and down, rub your tummy, pat your head.
