

# Poop Goes The Weasel

All around the toilet bowl  
Big Monkey chased the Weasel  
But Weasel has the diapers on  
Poop goes the Weasel!  
Big Monkey takes the diapers off  
Wipes the Weasel's bottom  
Puts clean diapers on and then!  
Poop goes the Weasel!  
Poop goes down the toilet bowl  
Big Monkey tells the Weasel  
So Weasel takes the diapers off  
Weasel climbs up on the hole,  
But Weasel doesn't have to go,  
Well, maybe Weasel has to go,  
Then Weasel gets the feeling  
And Weasel knows it's time to go!  
Poop goes the Weasel!  
In the water down the hole  
That is where the poop goes  
Weasel knows the feeling now!  
Poop goes the Weasel!  
Flush the toilet, down the bowl  
Poop goes the Weasel!
