

Sleeping Bunnies

See the little bunnies sleeping till it's nearly noon
Come and let us gently wake them with a merry tune
Oh how still, are they ill, wake up soon
Hop little bunnies, hop, hop, hop
Hop little bunnies, hop, hop, hop
Hop little bunnies, hop, hop, hop
Hop little bunnies, hop, hop, hop

See the little birdy sleeping till it's nearly nine
Come and let us gently wake them from their nest of vine
Up we climb, just in time, wake up soon
Flap little birdies, flap, flap, flap
Flap little birdies, flap, flap, flap
Flap little birdies, flap, flap, flap
Flap little birdies, flap, flap, flap

See the little alligator sleeping till it's noon
Come and let us gently wake them with a merry tune
In we creep, while the alligator sleeps, wake up soon
Snap little alligator, snap, snap, snap
Snap little alligator, snap, snap, snap
Snap little alligator, snap, snap, snap
Snap little alligator, snap, snap, snap
Then Flap little birdies, flap, flap, flap
Flap little birdies, flap, flap, flap
Flap little birdies, flap, flap, flap
Flap little birdies, flap, flap, flap
Then Hop little bunnies, hop, hop, hop
Hop little bunnies, hop, hop, hop
Hop little bunnies, hop, hop, hop
Hop little bunnies, hop, hop, hop
