

# Something There

There's something sweet  
And almost kind  
But he was mean and he was coarse and unrefined  
And now he's dear  
And so unsure  
I wonder why I didn't see it there before

She glanced this way  
I thought I saw  
And when we touched she didn't shudder at my paw  
No it can't be  
I'll just ignore  
But then she's never looked at me that way before

New and a bit alarming  
Who'd have ever thought that this could be?  
True that he's no Prince Charming  
But there's something in him that I simply didn't see

Well, who'd have thought?  
Well, bless my soul  
Well, who'd have known?  
Well, who indeed?  
And who'd have guessed they'd come together on their own?  
It's so peculiar. Wait and see

We'll wait and see  
A few days more  
There may be something there that wasn't there before  
You know, perhaps there's something there that wasn't  
there before  
There may be something there that wasn't there before
