

Stinky Stinky Diaper Change

Stinky Stinky Diaper Change
Boy, my brother smells so strange
He made something in his pants
Sure hope it won't attract ants
Stinky Stinky Diaper Change
Boy, my brother smells so strange!

Verse 2: It's okay, don't hold your nose
Now he's clean and in fresh clothes
All his stuff is often stained
Can't wait till he's potty trained
He's so cute in his play pen
What's that smell? Oh...not again!
