

Suffocation

First you take a bowling ball
Then you roll it down the hall
Hit your dad
Make him mad
Whoa!

(Chorus)

First you take a snake
Then you bake it in a cake
Take a bite
What a site
Whoa!

(chorus)

First you take a plastic bag
Then you put it over your head
Go to bed
Wake up dead
Whoa!

(Chorus)

First you take a fire hose
Then you shove it up your nose
Turn it on
Then you're gone
Whoa!
