

Bear Climbed Over Mountin, The

The bear climbed over the mountin,
The bear climbed over the mountin,
The bear climbed over the mountin,
And what do you think he saw?

What do you think he saw?
What do you think he saw?

He saw a log cabin,
He saw a log cabin,
He saw a log cabin,
And what do you think he did?

What do you think he did?
What do you think he did?

He went inside the cabin,
He went inside the cabin,
He went inside the cabin,
And what do you think he saw?

What do you think he saw?
What do you think he saw?

He saw a box of laxitives,
He saw a box of laxitives,
He saw a box of laxitives,
And what do you think he did?

What do you think he did?
What do you think he did?

He ate the box of laxitives,
He ate the box of laxitives,
He ate the box of laxitives,
And where do you think he went?

Where do you think he went?
Where do you think he went?

He went to the bathroom,
He went to the bathroom,
He went to the bathroom,
And what do you think he made?

What do you think he made?
What do you think he made?

He made another mountin,
He made another mountin,
He made another mountin,
And what do you think he did?

What do you think he did?
What do you think he did?
