

# Summer - The Kite

Blow, wind, blow, wind,  
Fly, kite, fly!  
On and on you go, wind,  
Fly, kite, high!  
Out sweeps your tail, kite,  
Tug on the string;  
Far away you sail, kite;  
See how you swing!

Blow, wind, blow, wind,  
Fly, kite, fly!  
On and on you go, wind,  
Fly, kite, high!  
Wish it were me, kite,  
Flying so high,  
What fun it would be, kite,  
Up in the sky!

Blow, wind, blow, wind,  
Fly, kite, fly!  
On and on you go, wind,  
Fly, kite, high!  
Up to the moon, kite,  
That's where I'd fly,  
Wave my little tail, kite,  
Then say goodbye!

Blow, wind, blow, wind,  
Fly, kite, fly!  
On and on you go, wind,  
Fly, kite, high!
