

Little Red School House, The

In the little red school house,
With my book and slate,
In the little red school house,
I was always late.
Oh how we'd sit and wait for the 4 o'clock bell,
the moment we heard it we'd run like mad,
O golly gee, I want to be, in the little red school house.

Ten o'clock spelling lessons just begun,
Johnny throws an ink ball just for fun,
Hits the teachers ear with an awful splat,
She turns around and says, "Who did that?"
Pretty little Percy in the very first row, raises up his hand and says, "Teacher, I know."
Little Johnny whispers to his teachers pride,
"You just wait till I get you outside."

Johnny's told to stand up with his face to the wall,
He says, "I don't wanna" and he tried to stall,
"If I stand up there I'll take an awful chance,
I've got a great big tear in the seat of my pants."
