

Monkees Theme Song, The

Here we come, walking down the street
We get the funniest looks from everyone we meet.

Hey, hey, we're the monkeys
And people say we monkey around,
But we're too busy singing
To put anybody down.

You know that we want to
Do what we like to do,
The only time we get restless
Is around something new

Hey, hey, we're the monkeys
And people say we monkey around,
But we're too busy singing
To put anybody down.

We're just trying to be friendly
So come and Hey, hey, we're the monkeys
And people say we monkey around,
But we're too busy singing
To put anybody down.

Anytime or anywhere, just look over your shoulder
Because we'll be standing there.

Hey, hey, we're the monkeys
And people say we monkey around,
But we're too busy singing
To put anybody down.

Hey, hey, we're the monkeys
And people say we monkey around,
But we're too busy singing
To put anybody down.

We're just trying to be friendly,
So come and Hey, hey, we're the monkeys
And people say we monkey around,
But we're too busy singing
To put anybody down.

Hey, hey, we're the monkeys!
