

There Was a Boy and a Girl

There was a boy and a girl in a little canue
and the moon was shinning all around
they dipped there padles in the sea
they didnt even make a sound
well they talk and they talked
till the moon went in
and he said you better kiss me
or get out and swim
so you know what to do in a little canue
when the moon is shinning all around
get out and swimmm..
