

There Was An Old Chinaman

There was an old Chinaman in Japan
His name was Rickety Dickety Dan
His arms were long
his legs were short
And this poor Chinaman he couldn't walk
Chickery chick tra la tra la
Choppity rommity immity awe
Dolfkey dusky dusky doo
Chick chi choo chi choo cha loo
Now this poor Chinaman he did die
And in his coffin he did lie
They sent him back to old Japan
And that was the end of the Chinaman
Chickery chick tra la tra la
Choppity rommity in a bannanica
Ballicka wallicka cant you see?
Chickery chick is me!
