

We're Happy Little Vegemites

We're hap-py lit-tle Veg-e-mites
As bright as bright can be.
We all en-joy our Ve-ge-mite
For break-fast, lunch, and tea.
Our mum-mies say we're grow-ing stron-ger
Eve-ry sin-gle week,
Be-cause we love our Ve-ge-mite -
We all a-dore our Ve-ge-mite -
It puts a rose in eve-ry cheek.
