

Weisman and Foolish Man

The weisman built his house upon the rock
The weisman built his house upon the rock
The weisman built his house upon the rock
And the house on the rock stood firm

Oh the rains came down
And the floods came up
The rains came down
And the floods came up
The rains came down
And the floods came up
And the house on the rock stood firm

The foolish man built his house upon the sand
The foolish man built his house upon the sand
The foolish man built his house upon the sand
And the rains came tumbling down

Oh the rains came down
And the floods came up
The rains came down
And the floods came up
The rains came down
And the floods came up
And the house on the sand went crash

So build your life on the Lord Jesus Christ
So build your life on the Lord Jesus Christ
So build your life on the Lord Jesus Christ
And the blessings will come down

Oh the blessings come down
As your prayers go up
The blessings come down
As your prayers go up
The blessings come down
As your prayers go up
So build your house on the rock
