

# You're Just In Love

I hear singing and there's no one there  
I smell blossoms and the trees are bare  
All day long I seem to walk on air  
I wonder why, I wonder why?  
I keep tossing in my sleep at night  
And what's more, I've lost my appetite  
Stars that used to twinkle in the skies  
Are twinkling in my eyes, I wonder why?

You don't need analyzin'  
It is not so surprisin'  
That you feel very strange but nice  
Your heart goes pitter-patter  
I know just what's the matter  
Because I've been there once or twice  
Put your head on my shoulder  
You need someone who's older  
A rub down with a velvet glove  
There is nothing you can take  
To relieve that pleasant ache  
You're not sick, you're just in love!
